The City is a conduit issuer under this Contract.

(f) the assumption by a court of competent jurisdiction of custody or control of a party, or all or a substantial portion of the property of a party, pursuant to the provisions of any Law for the relief or aid of debtors.

**15. Remedies.**

(a) Remedies. If there is an Event of Default, then each non-defaulting party, without further notice or demand, shall have the following rights and remedies:

(i) if the defaulting party has failed to perform any of its obligations under this Contract: (A) enjoining the failure or specifically enforcing the performance of such obligation; or (B) performing the obligation that the defaulting party has failed to perform; provided that the performance by the non-defaulting party of such obligation shall not be construed to be a waiver of the Event of Default; and

(ii) if PRF is the defaulting party, then Developer may declare the Full Prepayment Option to have been exercised; provided that: (A) the Full Prepayment Closing Date shall occur on a date designated by Developer; and (B) if PRF fails to pay the Full Prepayment Price on the date designated by Developer as the Full Prepayment Closing Date, then such failure shall constitute an Event of Default, with the result being that Developer shall have the right to exercise any rights and remedies available to it at law or in equity (including, without limitation, those set forth in this Section).

(b) **No Waiver.** Neither: (i) a waiver by any party of an Event of Default; nor (ii) a delay in the exercise by any party of any right or remedy with respect to an Event of Default; shall be deemed either to: (i) constitute a waiver of any subsequent Event of Default; (ii) release or relieve the defaulting party from performing any of its obligations under this Contract; or (iii) constitute an amendment or modification of this Contract. If Installment Payments are accepted during the continuance of an Event of Default, then such acceptance shall not be construed as a waiver of: (i) such Event of Default; or (ii) any right or remedy of Developer or the Payment Rights Purchaser with respect to such Event of Default. The rights and remedies hereunder are cumulative, and, except as specifically limited in this Contract, no: (i) right or remedy shall be deemed to be, or construed as, exclusive of any other right or remedy hereunder, at law, or in equity; or (ii) failure to exercise any right or remedy shall operate to prevent the subsequent exercise of such right or remedy.

(c) **Damages.** The non-defaulting party may recover from the defaulting party all damages that the non-defaulting party incurs: (i) by reason of any Event of Default by the defaulting party; and/or (ii) in connection with exercising its rights and remedies with respect to any Event of Default; together with interest thereon at the rate of 12% per annum. All such amounts shall be due and payable by the defaulting party immediately upon receipt of written demand from the other party, and the obligation of the defaulting party to pay such amounts shall survive the acquisition by PRF of the Acquisition Property.

**16. Notice.** Any notice required or permitted to be given by any party to this Contract shall be in writing, and shall be deemed to have been given when: (a) delivered in person to the other party; or (b) sent by national overnight delivery service, with confirmation of receipt, addressed as follows: to Developer at 8561 N. 175 E., Springport, Indiana 47386, Attn: Gregory W. Any party may change its address for notice from time to time by delivering notice to the other party as provided above.

**17. Assignment.** No party shall: (a) assign this Contract or any interest herein; or (b) delegate any duty or obligation hereunder; except as permitted by the Participation Agreement. Notwithstanding any assignment as permitted by the Participation Agreement: (a) the assigning or delegating party shall remain fully liable to perform all of its obligations under this Contract; and (b) a consent by a party to any assignment or delegation shall not release the assigning or delegating party from such performance. Any transfer of this Contract by operation of law (including, without limitation, a transfer as a result of merger, consolidation, or liquidation of any party) shall constitute an assignment for purposes of this Contract.

**18. Mutual Indemnification.** Developer and PRF shall indemnify and hold harmless each other, and PRF shall indemnify and hold harmless the City, from and against any and all Claims arising from, or connected with: (a) the negligence or wilful misconduct of: (i) Developer or PRF, respectively; or (ii) any party acting by, under, through, or on behalf of Developer or PRF, respectively; and/or (b) the: (i) breach by Developer or PRF, respectively, of any term or condition of the Project Agreement, this Contract, or the AT Documents; and (ii) resulting exercise by any defaulting party of its rights and remedies with respect to such breach.

**19. Force Majeure.** Notwithstanding anything to the contrary set forth herein, if any party is delayed in, or prevented from, observing or performing any of its obligations under, or satisfying any term or condition of, this Contract as a result of Force Majeure; then: (a) the party asserting Force Majeure shall deliver written notice to the other parties; (b) such observation, performance, or satisfaction shall be excused for the period

of days that such observation, performance, or satisfaction is delayed or prevented; and (c) the deadlines for observation, performance, and satisfaction, as applicable, shall be extended for the same period.

If and to the extent this Contract is not such a contract, then this Contract shall be deemed to: (i) include such terms not otherwise included; and (ii) exclude such terms not otherwise excluded; as is necessary to cause this Contract to be such a contract.

**21. Miscellaneous.** Subject to Section 17, this Contract shall inure to the benefit of, and be binding upon, Developer, the City, and PRF and their respective successors and assigns. This Contract constitutes the entire agreement between Developer, the City, and PRF with respect to the subject matter hereof, and may be modified only by a written agreement signed by all of Developer, the City, and PRF. The invalidity, illegality, or unenforceability of any one or more of the terms and conditions of this Contract shall not affect the validity, legality, or enforceability of the remaining terms and conditions hereof.
